

School Year 2018-2019

St. Aloysius Catholic School Communications

Dear St. Aloysius Family,

Please register your family for Reach Alert, our phone / text / email communication system for the current school year. Any message that is sent out comes from me, Tina Voors, and is intended to inform up to four different contacts of pertinent school happenings: delays, early dismissals, reminders, requests, emergencies, etc. Please follow the steps below to create your account in the role of *parent*. The service is paid for through fees and will be used throughout the school year in addition to original means.

1. Visit www.reachalert.com and go to CREATE AN ACCOUNT on the right side near the bottom
2. Next, you will be asked to enter your first and last name and enter contact information.
3. PLEASE USE student's given name when creating your family contacts. Our school code is **A2709220**
4. You can create up to four contacts – parents, grandparents, babysitters, etc. - anyone you want to receive my school-related messages.
5. Please do not use a “reply” to any of these messages – they are informative only. If you need to contact me, please use: tvoors@saintaloyusiyoder.info, school: 622-7151. If you have any trouble, give me a call, or you can contact Ken Weber who is our account manager. He is very helpful and kind.

Forming Saints and Scholars in Christ,

Tina Voors
