

## Gator Goings-On, August 13th, 2020

Dear St. Aloysius Families,

We made it! This morning's check-in went so smoothly...I know it took longer, but as we do this daily, we will get faster. HOWEVER, it's still very important that we are careful and very intentional with the questions and responses. This is the data I'm collecting in case I need to report to the Allen County Department of Health. I thank you in advance of every morning's procedure and your patience.

Also, your children are amazing! They just do what they need to do! While we pray these procedures will be relieved soon, we all are doing our part to care for one another. We are so proud of them all!!

Peace and Health to you all!

Mrs. Voors

**IMPORTANT:** If your child is not admitted to school in the morning, Mrs. Voors will contact you (or one of the other 4 to make contact with parent/guardian) to learn more details of the reported symptom(s) around COVID-19. Depending on many variables that we will discuss together, your child may have to stay home for 10 or 14 days. Thank you for your patience!

**Reminder: Weekly One Hour Early Dismissal:** Our first ONE hour early dismissal is on Wednesday, August 19th. Dismissal procedures are the same. Students will begin to walk out as a family at 2:10 p.m. through Door #1. This will happen EACH Wednesday we are in session. You will be notified of exceptions. After-School Care is available for the early one hour and beyond at the normal rate of \$.75 per quarter hour.

**Specials:** begin on Monday, August 17th! All are normal except Gym for now: no students are changing into Gym Uniform until further notice.

**Forms:** Please complete all of the back to school forms and return them as soon as possible.

**An Even More Beautiful School!** Thanks go out to Jay Girardot for replacing the old, worn-out screens outside the windows of the older part of the school! They are functional now and look wonderful! Thank you, Mr. Girardot!!!

See pictures on the next page!!...
