

Gator Goings—On

March 4th, 2021

Dear St. Aloysius Catholic School Families,

I am looking forward to taking a deeper look into the inner workings of our awesome school on March 24th. This is a Diocesan process, and our turn is this month! Perhaps it is fitting that this is occurring during the Lenten Season when we are each encouraged to take a closer look at ourselves - at the heart. I've said this before - if you could be the "fly on the wall" and witness the wonderful things that go on during the day, you would be so encouraged. While we are not perfect, we are indeed very powerful. As you well know, raising up the Whole Child is a continuous, rewarding, and difficult journey. We look forward to learning more about how we are carrying out our call to Catholic Education.

May the Lord bless our work along that way, that our journey leads us all to heaven!

Mrs. Voors

Referring to the Paragraph Above: Parents, I have just a few spots left in our Parent Group to participate in the Continuous Improvement Journey process on the 24th. There's a 20 minute block of time during which you would be in discussion with the Diocesan team online. [Please email Tina](#) if you would like to participate! If you are on the School Board, you are already on a team:-)

A big **thank you** to all who provided refreshments for our First Reconciliation students and their families last Sunday! What a beautiful blessing that our students not only celebrated another Sacrament of the Faith, but also received the love and support of our community!

Powerschool Online Enrollment: is coming soon! While there may be a little data that you, the parent, inputs, subsequent years should be a breeze! If you do not have online access, know that we got you covered!!

Rural King Church Week: Please see the flier that is included in this week's Family Envelope and feel free to share out!!
