

Gator Goings-On, November 12th, 2020

Dear Families,

By the grace of God we are still going strong through our school days working as closely to "normal" as possible. Our students and teachers are incredibly resilient as they continue to do their very best each and every day.

Parents, you too are to be commended because of the care you take when deciding if a child should come to school or not, supplying them with their clean mask every day, and assessing their health often in addition to ALL the other things you do every day! Thank you, and God bless you all!

Christ, the Teacher Award, 2020: Most of you will remember this award formerly known as "Light of Learning". Each of 43 schools in the Diocese has an opportunity to recognize one teacher who exemplifies and lives out the vocation of Catholic Education.

This year, our recipient of the Christ, the Teacher award is Ms. Meagan Richard!

We thank her for her complete investment of her time, talent and sometimes even treasure to serve her students and our school to her utmost. We are so very grateful to her and all our teachers who push every day for the sake of each and every one of our students. We pray for God's blessing of the Gifts of

the Holy Spirit for each and every teacher at St. Aloysius Catholic School!

Day of #iGiveCatholic: **December 1st, 2020** is an opportunity for you to invest in Catholic Education through St. Aloysius Catholic School! Are you a graduate? Did your children go here? Your grandparents? This is a simple way to express gratitude for the Lord's blessing of faith and academic formation through St. Aloysius. The online link is coming soon!

Additionally, we do indeed have an **Endowment Fund** set up that is also housed with the Catholic Community Foundation! The Fund is designated to support our ongoing technology and school safety efforts! Please visit and share this link to our [School's Endowment Fund for Technology!](#) Let me know if you

have any questions.

Parent Testimonials: Word-of-Mouth is very powerful. Stories that are shared and questions that are asked mean so much coming from someone you trust. What would you like new, potential families to know about our school? What experiences would you like to share? Please email Tina at tvoors@stalyoder.org a few paragraphs that tell your story - from one parent's heart to another. With your permission, I will publish your story in this GGO and on our website.

Thank you so much for your time and thoughtful consideration.

In-Home Wine-Tasting Raffle: A nice glass of wine with friends and family by the fire...and a professional who will lead you through each of 8 bottles of wine as you experience different flavors and textures! Sound like fun?? We will be raffling off a certificate for just that experience...in your own home! It's valued at \$300. Tickets will be on sale soon for \$20 each and the proceeds will go toward our upstairs bathroom renovations that we are planning for this summer.

Grandparents' Day: It is unfortunate that we will not be able to celebrate in our normal, in-person fun ways, but our teachers are indeed planning some really awesome activities, all for Grandparents! Our activities are scheduled for Tuesday, November 24th and **we encourage their Grandparents to pick them up from school at a two-hour early dismissal: 1:10 so they can spend the afternoon together!** Normal pick-up procedures will be followed that day as well.
