

Dear Families,

Welcome to St. Aloysius Catholic School! Your child is a most precious gift from God. We at St. Aloysius take seriously the responsibility of partnering with families when parents select our school for their child's education. You can be assured that your child's education will be deeply rooted in Catholic values with an intense focus on academics.

Our School is a small, family-oriented Catholic School located in Yoder, Indiana. Our history spans more than 140 years, which makes St. Aloysius Catholic School the oldest Catholic school in Allen County. Our heritage is rich in tradition. We have withstood the test of time and do so as we educate the children who will be our future leaders. St. Aloysius again is demonstrating our commitment to education, families, and community by working to become an unlicensed registered ministry, and an On My Way Pre-k approved program. Our commitment to provide high quality education starts with our youngest learners with-in a Christ centered environment. Our goal is to send children into their elementary years with a sure knowledge that they are children of God with the skills they need to succeed in the classroom. In the classroom the children have many opportunities for hands on experiences that will foster children's spiritual, social, emotional, cognitive, creative, and physical development. It is important to work with families to help create a love of learning in a Christ centered learning environment. The classroom is set up into different interest centers: ABC/ writing area, block, math, library, dramatic play and playdough to name a few. The materials in these areas are rotated based on the children's interest and the objectives of things we are working on in the classroom.

There are four attendance options for Pre-Kindergarten students at St. Aloysius Catholic School. Students may attend 3 or 5 mornings a week 8:10-11:10, 3 Full days M, W, F, or 5 full days a week, 8:10-3:10.

At St. Aloysius our Catholic identity is present in all that we do. Attendance at Mass or other prayer services is an integral part of our school community for all children and teachers. We take very seriously our call to serve children through the Church's mission of Catholic education, and we look forward to partnering with your family for the benefit of your child.

I look forward to being of assistance to you as you make your decision in the selection of a school for your child/ren. Please contact me if you have questions or concerns. I invite you on tour of your school to see the excitement and Christian dignity that abounds at St. Aloysius Catholic School!
