

Gator Goings-On

September 10th, 2020

Dear St. Aloysius Families,

We are very happy and blessed to report the overall health and wellness of our staff and student body thus far this year! We continue to pray to Our Mother for protection against injury, illness, and harm. May the Lord continue to bless us with the Grace we need to help us keep our eyes on the Cross of Christ and to stay on the narrow path toward heaven.

Soarin' Hawk: We are looking forward to this presentation coming to our school on **Tuesday, September 22nd, at 10 A.M.!**

They will present information on what they do and how they work to rescue and rehabilitate Raptors in trouble. Among other raptors like owls and hawks, *Jeff - the Bald Eagle* will be here too! Parents and family are welcome. Know that they accept monetary donations that help them provide needed medical care and housing for these birds. Please see their site: <https://www.soarinhawk.org/> **FOR ALL ATTENDEES:** Please wear a mask and plan to distance yourself from other families in the bleachers.

Annie Oakley Fundraising Project!: Good hand-sanitizer is always a plus, especially when it's used often throughout the day. Annie Oakley is offering some great items for us as a

school fundraiser as well! Please visit [Annie Oakley](https://www.annieoakley.com/) for the special offers! It will close at the end of September. I want to thank Renee Gabet for arranging this fundraiser for us and for making it so very easy! May God bless your business!!

October 4th - Feast of St. Francis: Msgr. Bruce and I are tentatively planning a Blessing of the Pets on Friday, October 2nd. If we can do this and you would like to have your pet(s) blessed here at school, please ensure there is a proper leash or containment for the safety of all!

Social Media Safety: We were blessed once again to have Cathie Bledsoe of the Indiana State Police to talk with our 3rd through 8th grade students on September 8th about how to properly and safely use social media platforms and mobile devices. It is indeed unnerving to hear this information, but we must all stay informed of this reality. I have brochures from her presentation if you would

like some for yourself. I thank the parents who came for the adult session that evening. It is indeed important and I appreciate their personal time.

Midterm, Quarter 1: is Friday, September 18th already! Please utilize Powerschool and communications with your child's teacher(s) to stay abreast of their progress and needs. The link for Powerschool Parent Access is found via our school's website under the *Parent Information* tab: <https://stalyoder.org/school>

FWCS Lunch Menu Changes: 9/15 = Beef & Bean Nachos, 9/16 = Grilled Cheese, 9/18 = Turkey/Ham Croissant, 9/23 = Pizzaboli, 9/24 = French Toast

Recycle for Troops Overseas!: If you have cell phones, iPads, other tablets that you don't use any more or that are just not functioning, turn them in to us at school! We will turn them in to a company called Pace Butler who refurbishes what they can and sends them to troops overseas to use! Thank you so much!
