

Gator Goings-On September 3rd, 2020

Dear St. Aloysius Catholic School Families,

Perseverance...this is a very poignant word right now. We are so grateful for God's Grace on our school community. Our teachers, staff, students, and I must indeed persevere in maintaining integrity in our new processes, procedures, and personal care. We remind ourselves often that we cannot allow complacency; vigilance is of utmost importance each and every day.

Thank you too, parents, for your patience at drop-off in the mornings, procedures when you visit, and increased communications if your child happens to be absent or sent home. We are doing so well so far! Let us pray that our Holy Mother, Mary, protects us all from injury, illness, and harm. Amen

Mrs. Voors

Catholic School Mission Day: for all our staff is tomorrow, Friday September 4th...**NO SCHOOL!** And, Enjoy Labor Day with your family and friends as well - Monday, September 7 = **NO SCHOOL**

[Annie Oakley Fundraiser](#) : Please use that link to go to the website to order high quality hand sanitizer for your family! It is extended until Sunday, September 13th. There are also paper order forms and

examples on the table in front of pews. Thank you!!

NWEA Testing: All students K-8 will be taking an assessment during class time in Reading, Language, and Math to determine their current performance levels in each. The window will open Tuesday, September 8th and close Friday, September 25th. Please encourage your child to give it their best! It has no effect on their class grades, but does give teachers real instructional insight into the needs and strengths of each student.

Indiana State Police ~ Social Media Safety Presentations: Social Media Safety Training/Parent Meeting: We are blessed once again this year to welcome Cathie Bledsoe of the Indiana State Police to teach us all about social media safety, and to train parents and students about how to use these tools safely
